Suggestions for future fundraising events discussed as follows:

“Easy Fundraising Scheme” linked to website, (raised at last meeting). Mr Ellis is prepared to give this a go. He will speak to other Headteachers in the area and come back at the next meeting on this.

Draw, Christmas/Easter, everyone agreed to run two draws this year. Good prizes needed and tickets to be printed asap. Further details/ideas at next meeting.

Barn Dance, will take place as a Lesotho fundraiser not for PTA funds. Parents encouraged to attend this worthwhile cause to keep the strong links with the School going.

Disco. Would be great to hold more events for the pupils including a disco for Yrs 7,8 and 9. Mr Ellis will ask the School Council for their ideas on this or any other future fundraising ideas they may have. The pupils will also be consulted on suggestions for the use of PTA funds. What do they feel is needed for the school?

Quiz, always a popular event, could be tried again. The Buck Hotel (Bangor) or White Horse (Overton) possible venues. A Friday night as previously. Audrey will make enquiries for possible dates around mid November.

Fun Day/Dog Show, date has been set for Saturday 7th July 2012. Staff are being recruited for this now. Audrey has spoken to Mrs Lloyd to suggest at the school council that each year is responsible for a stall/activity. Need more activities for the students. Suggestions made were, Street Dancing, Tumbling display, Band and as previously the Whitchurch Dog Display Team. We could also make use of the marquee for an evening event. Our banners need to be larger and general signage more noticeable.

Other fundraisers discussed included,
Day at the Races, Auction of Promises, Penleys Got Talent and Film Show
