

April 2010

Welcome to the Maelor School PTA webpage. As parents and guardians of pupils who attend our school you are most welcome to attend all PTA meetings. Dates and times are found on this page or contact Mrs Stewart on the school number.

We are always looking for active members who can help with putting ideas into practice!

In September 2008 the PTA were given the challenge to raise funds to help refurbish our swimming pool. Our pool is used not only for swimming lessons during term time by our own pupils but also in the evening and holiday time for swimming lessons, the canoe club, the scuba diving club and recreational swimming for those living in the community. We feel that it is essential to keep it open in good working order to fulfil this service to all concerned and ensure that its future is assured for many years to come.

The large sum of £80,000 is the target to aim for and as you can see progress has been made.
