How to Join a Live Lesson

In Google Classroom your teacher should have sent you a link to the Microsoft Teams page where you will find the live lesson. Click on the link.

You will be taken to the following page where you can either open Microsoft Teams in the app if you have previously downloaded it, or you can open it in a Web Browser. You may be prompted to log in where you will need to use the HWB Email and Password. (Found in the front of your planner).

Choosing either option will take you to your Microsoft Teams homepage.

Click on the meeting that has been scheduled. (Click the purple bit!)
